**Subject:** West Lake Landfill Superfund Site

Administrator McCarthy,

As a very concerned citizen, who lives 1/2 from the West Lake Landfill Superfund Site, I am asking you to have this site turned over to the St. Louis Army Corps of Engineers FUSRAP immediately. The subsurface fire appears to be moving closer to the radioactive waste, and time is of the essence!

Please don't allow the fire to reach the radioactive waste ON YOUR WATCH!!

Sincerely,

Kathy Bell
